Do you have any other announcements on the Clerk's desk?

Okay, are there any new bills at the moment for introduction?

CLERK: Yes, Mr. President. Mr. President, new bills. (Read by title for the first time LB 360 - 389. See Pages 231 through 236 of the Legislative Journal.)

Mr. President, Senator Cullan would like to have the Public Health and Welfare Committee meet under the south balcony right now.

SPEAKER MARVEL: I would like to make this comment, that the bill drafter is attempting to get all of the bills up before noon, if that is possible, and if you will cooperate it is possible that we can get all of the bills introduced by noon and will not have to come back this afternoon. I would appreciate it if you will make that additional effort, try to get what bills you are interested in introducing in before noon, subject of course, to the ability of the bill drafter to get them up here.

CLERK: Mr. President...(Read by title for the first time LB 418 - 423. See Pages 241 and 242 of the Legislative Journal.)
